

Peanut Butter Jelly Documentation

Requirements:

1. Jar containing peanut butter
2. Jar containing jelly
3. 2 knives
4. 2 slices of bread
5. 1 plate

Steps:

1. Put 2 slices of bread in a plate, such that none of the two is on top of another one
2. Open the peanut butter jar lid
3. Scoop peanut butter with a knife
4. Place the scoop of peanut butter on one slice of bread and spread it evenly on entire slice (we will call this slice of bread as peanut butter slice)
5. Open the lid of jelly's jar
6. Scoop jelly with second knife
7. Place the scoop of jelly on second slice of bread and spread it evenly on entire slice (we will call this slice of bread as jelly slice)
8. Now place the jelly slice on top of peanut butter slice such that jelly on jelly slice is facing peanut butter on peanut butter slice
